SUMMARY

Full stack web developer leveraging skills in team environments to quickly and creatively solve problems in web development. Recently earned a certificate in full stack web development from the University of Wisconsin, with newly developed skills in JavaScript, HTML, CSS, SQL, NoSQL, the MERN stack, and responsive web design. Known as a quick learner with a strong work ethic. Enjoys picking up new skills and applying to develop and debug web applications. With each project I hope to not only learn something new but design apps that are user friendly and have an impactful user experience. Have applied JavaScript and MySQL skills to build several interactive applications and worked with a team of six to build an interactive fullstack project that allows people who live together to split up bills and other daily tasks. Excited to leverage skills as part of a quality-driven team to build better experiences on the web.

TECHNICAL SKILLS

JavaScript ES6+, CSS3, HTML5, SQL, NoSQL, MongoDB and Mongoose, MySQL and Sequelize, Express, React, Node, Handlebars, Bootstrap

PROJECTS

Penny For Your Thoughts

Github: github.com/samvrny/theTechBlog

Application: fast-island-88973.herokuapp.com

EXPERIENCE

Delivery Driver

2020 - Present

Doordash INC.

Boulder CO and Woodbury, MN

Worked with vendors and consumers to ensure the correct orders were delivered in a timely manner. Constant critical thinking needed to plan routes, ensure correct orders, and locate customers and deliver their orders.

Key Accomplishments:

- Managed time as a freelance contractor to deliver orders on time 97.34% of the time, delivering over 2161 orders
- Maintained a 5 star (out of 5) customer rating through my work experience

Laborer

2020-2021

Small Family Farm CSA

LaFarge, WI

Phone: (608)-625-4178

Supervisor: Adam Varney

Worked with teams and crews in a high-paced, high-energy environment to take vegetables from the beginning of their life cycle in the spring all the way to their delivery to the consumer.

Key Accomplishments:

- Completed challenging tasks operating heavy machinery
- Worked with large teams to coordinate and accomplish tasks in a timely and efficient manner
- Trained new employees

Server

2018-2020

The Old Fashioned

Madison, WI

Phone: (608)-310-4545

Supervisor: Brandon Mueller

Served customers from all walks of life in a high-traffic and high-paced supper club

Key Accomplishments:

- Satisfied up to 100 guests per day
- Coordinated delivery of food and beverage, referring to complicated tickets to ensure the correct order made it to each guest
- Trained new servers and food-runners
- Accomplished mandatory lists of cleaning services after each shift

EDUCATION

Certificate in Full Stack Web Development

University of Wisconsin

Madison, WI
